

A large, bright orange balloon is the central focus of the foreground. It is tied with a red ribbon and has the text 'SER LANCERING Dataverkenner' printed on it in white, bold, sans-serif capital letters. The balloon is slightly out of focus, with a soft glow around it. In the background, a conference room is visible with people seated at tables, and a large mural on the wall. The ceiling has recessed lights.

## Genderbalans in het Nederlandse bedrijfsleven
